**Mid-Missouri Livestock Center  
Marshall, Missouri**

The Source for Foundation Females

# THE 7TH ANNUAL HERD BUILDER BRAUNVIEH FEMALE SALE

To our Cattlemen Friends and Braunvieh Enthusiasts,

On behalf of the Herd Builder Group and their Guest Partners, it is my pleasure to invite you to the Seventh Annual Herd Builder Sale. This event is an excellent choice to invest in your genetic future. The cattle offered live up to the event name; they are Herd Builders! This offering is from right off the top of some of the best Braunvieh Breeders in the country. These are the kind of females you can take home and have produce to a high level in your operation.

Smart cattle producers all know that once you get the right cattle in your pasture, many challenges are eliminated. And that's just what this offering is about, giving you the opportunity to forge ahead and bypass the work it has taken to put together the quality of this offering.

Braunvieh cattle are unequalled for combining maternal and carcass traits. Bottom line, that's really what we all should demand from our genetics. We live with our cow's maternal strengths or shortcomings, and our customer, the beef eating people of this country must be satisfied with our end product for us to stay in business.

I am looking forward to working with the Herd Builder group this year as a Sales Consultant. In the several years I have attended this event, I am always impressed with the cattle and the people and am glad to be a part of their offering to you.

The Herd Builder Group, Guest Partners, and Mark Nelson

**Saturday,  
Nov. 7, 2009**

**1 p.m.**

**Mid-Missouri  
Livestock Center,  
Marshall, Missouri**

The sale facility is located 1 mile south of the intersection of I-70 and Hwy 65. This is approximately 60 miles east of Kansas City.

*The Herd Builder Sale Cattle will be on display at the sale facility Friday, Nov. 6. Come early, look through the cattle and enjoy a visit with us about our Herd Builder programs. We look forward to seeing you at Marshall.*

Sale Consultant:

**Mark Nelson**  
(402) 705-3907  
Hastings, Neb.

Marshall is 11 miles north of the sale facility.  
Sedalia is 18 miles south of the sale facility.

### Sale Staff

Hoover Case, Auctioneer . . . . .(417) 468-2183  
Mark Nelson, Sale Consultant . . . . .(402) 705-3907

### Special Guests

Ron Bolze, BAA Executive V.P. . . . .(402) 321-0067  
Russell Freeman, BAA President . . . . .(719) 338-5071

### Terms & Conditions

Terms of the sale are cash or check with proper I.D., and settlement must be made sale day and/or before anything is loaded or leaves the sale facility. Every lot will be sold to the highest bidder, with the auctioneer settling any bidding disputes. Announced changes in catalog information sale day will take precedence over printed material in the catalog.

### Registrations and Transfers

A certificate of registry and transfer will be furnished for each animal at no cost to the buyer within 45 days after settlement of animals purchased.

**Delivery** We will assist buyers in arranging shipment of purchases.

**Health** All cattle will have proper health certificates for shipment.

### Insurance

All animals become the property of the purchaser and will be at purchaser's risk at the time of sale. Insurance will be available should buyers wish to purchase it.

### Liability

All persons attending this sale and related functions do so at their own risk. Mark Nelson, the sale consignors and Mid-Missouri Livestock Center assume no liability, legal or otherwise, for any accidents that may occur.

### Air Transportation

Major airlines have regular service into Kansas City, Mo. KCI is approximately 100 miles.

### Absentee Bids

If you wish to make purchases but are unable to attend this sale, please contact the owners or Mark Nelson.

### Herd Builder Genetic Defect Guarantee

The Herd Builder Partners and Guests guarantee the cattle sold to be free of known Genetic Defects as outlined in the Braunvieh Association of America Rules and Regulations. If an animal sold in this sale is found to have a genetic defect, it will be the responsibility of the seller of that animal to satisfy the buyer with a refund or replacement. Buyer must contact seller within 12 months from the sale date to implement the guarantee.

- ◆ EPDs: CED 1.0, BW 0.1, WW 0, YW 5, CEM -0.4, MM -5, M&G -6
- ◆ Adj. birth wt. 91 lb./ratio 103. Weaning wt. 624 lb./ratio 109.
- ◆ This is a problem free Polled Plus daughter from our Split Diamond herd purchase. We have last year's daughter in our replacements, and if we had bred her to Vader sooner, we might have a bunch of keeper daughters. Sells open.
- ◆ Diamond Plus 554 had two sons in the Genetic Challenge steer test. One was Choice YG 2, REA 13.0 sq. in. The other was Select YG 1, REA 16.2 sq. in. Lots of things to like in this cow, and with the Braunvieh longevity, she should have years of production ahead.

**Lot 2A** – Purebred heifer calf born 9/9/09, birth wt. 84 lb., tattoo 431W, sired by BLC Dark Vader (Ref. Sire A). Vader moved up another notch in our herd sire battery now that we have seen his daughters calve. This baby is extremely attractive and has the looks to be a show heifer on her way to becoming one of those beautiful Vader mamas.
